new booking engine version

for desktop / tablet

WE OFFER **MUCH MORE**

MORE VISUAL

Simple, functional and attractive design.
Prioritising the essentials.

Our UX department
has analysed user behaviour
during the booking process
to develop an engine
in which aesthetics and usability
go hand in hand.

FASTER

**Intuitive purchasing process.
Immediacy takes priority.**

Usability

Our simple, efficient design guarantees a fast and satisfactory purchasing experience.

Less steps

We reduce the number of clicks by 40% thanks to the single calendar and simplified forms.

We remember past searches

And make the decision process easier by only showing elements strictly adapted to your query.

MORE PRODUCTIVE

**Maximise income per booking
while also increasing customer satisfaction.**
